

CAPTAIN'S LETTER

TOWN OF NORTH SMITHFIELD ANNUAL *CLEAN & GREEN* EARTH DAY CELEBRATION

Sponsored by the North Smithfield Clean & Green Day Committee

Dear *Clean & Green Day* Volunteer,

You are invited to be a Team Captain for the Annual North Smithfield *Clean & Green* Earth Day event sponsored by the North Smithfield Clean & Green Committee. A team captain can represent a community or civic organization in town, or even a neighborhood or scouting group that wants to work together to make a difference in their neighborhood and community. We welcome all groups, and appreciate your willingness to coordinate a group, and work with us to ensure their safety.

Please take a moment and download our “Helpful Hints” form and our “Team Registration Form” which will help facilitate your team registration and help make things run as smoothly and safely as possible for you and your team. You can also register your team on-line through our website at: <http://www.earthdayns.org/> or via e-mail at katyhall@mac.com.

We are thrilled to let you know that registration and lunch will be held once again at **Homestead Gardens** this year! Morning registration will take place at Homestead Gardens, beginning at 8:30 a.m., with cleanup between 9:30 a.m. and 12:00 p.m. At registration, your team will receive your cleanup location, free t-shirts, bags, and free coffee, hot cocoa and donuts. Following cleanup, at noon, a complimentary lunch will be provided at Homestead Gardens to all volunteers, courtesy of Brigido's Fresh Market, The Homestead Group, and The Clean and Green Committee.

So that we may have an accurate count of volunteers, please register your team by the Monday prior to the event. Also – if possible, please ask your team members to bring their own work/gardening gloves from home to help keep them safe.

If you have any questions, please call the Town Administrator's office at 767-2200, ext. 301, or contact us via e-mail at katyhall@mac.com. We look forward to working with you and your team on this fun, worthwhile community project!

Sincerely,

Clean & Green Day Coordinators:
Claire Woodworth, 769-6521
Suzanne Murphy, 765-4222
Katy Hall, 769-9130
